

REMARKS

Claims 1, 3-5, 7-20, 22-24, 30, 39, 41-43, 45-58, 60-62, 67, 71, 78-81, 88 and 89 remain pending. Claims 6, 21, 25-29, 31-38, 44, 59, 63-66, 68-70 and 72-77 have been withdrawn from consideration by the Examiner responsive to a Restriction Requirement. Claims 2, 40, 74-77 and 82-84 and 86 have been canceled. The Examiner allowed claims 78-81 and objected to claims 2-5, 7-20, 23, 24, 40-43, 45-58, 61, 62, 71, 85 and 87 as being allowable, but for their dependence from a rejected base claim. The Examiner further indicated that claims 1-3, 22-24, 30, 39-41, 60-62, 67, 78 and 79 are generic. Accordingly, the amendments above are believed to place the Application into condition for allowance. Claim 1 has been amended to include the limitations of now canceled claim 2. Hence, it is respectfully submitted that allowance of amended claim 1 should result in rejoinder and allowance of withdrawn claims 6, 21, 25-29 and 31-38. Claim 39 has been amended to include the limitations of now canceled claim 40. Hence, it is respectfully submitted that allowance of amended claim 39 should result in rejoinder and allowance of withdrawn claims 44, 59, 63-66, 68-70, 72 and 73. It is noted that claim 21 has been amended to delete an inadvertent text relic. Applicant hereby reserves the right to present claims of the original scope in continuing Applications. Applicant appreciates the Examiner's consideration of the Application.

For the foregoing reasons, it is respectfully submitted that all of the Examiner's objections have been overcome and that the application is in condition for allowance. Hence, allowance of these claims and passage to issue of the application are solicited.

If the Examiner has any questions concerning this case, the Examiner is respectfully requested to contact Mike Pritzkau at 303-410-9254.

Respectfully submitted,

Michael M. Pritzkau
Reg. No. 37,913
